Re: Resumption of In-Person Youth Fellowship on Saturday, July 17th

Dear CTBC Youth Fellowship Parents,

Greetings in the name of our Lord Jesus. I realize the elapsed time since our Youth Fellowship has met in person due to COVID-19 and the subsequent quarantine orders. I write to inform you about our return to in-person fellowship.

On June 11th, San Francisco Department of Public Health issued an Omnibus Recission of Health Orders and Directives and has decided to follow the State of California for making policies. This means that we may resume indoor fellowship gatherings. Our Elders, Pastors, and Directors have elected to follow suit and allow indoor fellowship gatherings.

Beginning July 17<sup>th</sup>, Youth Fellowship will resume indoor meetings at 1pm, following the State's masking protocols, which mandates all participants in K-12 indoor settings to be masked regardless of vaccination status and for all rooms to be ventilated through opening windows and utilizing fans. Masking applies to both students and leaders. In outdoor settings, the fully vaccinated have the option to remove their mask. If anyone attends and forgets a mask, we have a supply of masks available.

I hope this letter comes as a consolation with our long absence from meeting in person. I hope to see our students again. We realize the collective toll of this pandemic on both spiritual and mental health.

If you have any questions or concerns, please contact me. May God bless you and your household this Summer.

Sincerely,

Rev. Kevin Wong  
Senior Pastor
